TERRIFIC LANDSLIDE.

Banks of the River St. Ann Cave in, Causing Great Destruction. QUEBEC, April 30.—Friday night at about 8.30 o'clock the inhabitants of the village of St. Albans, situated about forty-five miles from here, and four miles from Leclercville Station, in the county of Port Neuf, heard a terrible noise resembling the roll of thunder in the distance. The soil vibrated and panic ensued. The people believing the ground was going to open under them rushed away as fast as they could.

Near the parish church is a cove in the river St. Ann which makes a waterfall. The sides of the river, composed of clay, caved in, blocking up the natural channel of the river for a distance of five miles and to a depth of 17 feet, making the water rise a hundred feet above the earth walls that were supposed to hold it back. The walls were not strong enough to keep in check the fury of the stream, and with a terrible roar and rush the water came down upon the unprotected village, carrying away the bridge. At 10 o'clock p. m. the water rose at St. Casimir, and carried away another bridge at St. Ann. At 11 o'clock it carried away two piers of the bridge and all the lumber booms, along with the wharves.

The house of a farmer named Gauthier, at St. Albans, is completely buried, and the four unfortunate people who occupied it are supposed to be crushed beneath the ruins. At the place where the house was buried smoke can be seen, and it is feared the house caught fire, which means sure death to the inmates that were known to have been within.

The accident has been especially severe on the dumb animals. Hundreds of cattle, sheep, and pigs have perished, and amid the wreckage which floats past the poor brutes can be seen struggling, apparently making an effort to reach the shore, which their exhaustion renders abortive.

River Noire, the exact place of the accident, is not near a telegraph station, and no information as to the number and names of the dead can yet be had with certainty. The people of all the surrounding districts are panic-stricken, and on account of the altered condition of the country it is very difficult to reach the scene and return. The piece of land which slid into the river is about a mile long and four miles wide. The latest information received is to the effect that \$500,000 worth of property has been destroyed and twelve people have been killed.

BLAINE-BEALE WEDDING.

Nuptials of the Late Secretary's Daughter and Mr. Truxton Beale.

Very quietly and in the presence of their intimate personal friends Truxton Beale, ex-minister to Persia, and Harriet Blaine, daughter of the late Secretary Blaine, were married at the Blaine family residence on Lafayette square at 1 o'clock yesterday afternoon.

Rev. Dr. Hamlin, pastor of the Presbyterian Church of the Covenant, performed the ceremony. Edward Woodson, of New York, was the best man, and there were no bridesmaids. There was an entire absence of show or ceremony about the wedding.

Among the persons had officials who were present on the score of personal friendship were Senators Cameron, Lodge, Jones of Nevada, Hale, Frye, Chandler, and Allison, Sir Julian Pauncefote, the British ambassador; Mr. Susan Rosa, the Portuguese minister; the Maine representatives in Congress, and Representative Hitt, with Mrs. Hitt, completed the list of wedding guests.

Miss Blaine and Mr. Beale had been engaged for some years, but family sorrows from time to time had postponed the wedding.

In Memory of Her Father.

Large bunches of American beauty roses yesterday adorned the desks in the State Department formerly occupied by the late Secretary Blaine and his son, Walker Blaine. They were memorial tributes from Miss Harriet Blaine on the morning of her wedding day.

If Col. Breckinridge Speaks.

PANAMA, April 30.—The postmaster has placed in the hands of the judge and sheriff an anonymous letter dated and mailed in New York, giving him fair warning not to let Col. Breckinridge speak here May 7, upon the peril of a dynamite explosion intended to kill the Congressman and all who may be near him. Some give it serious thought, but others regard it as a harmless joke.

In the light of our present low prices there isn't much excuse for slacking clothes.

A "SCORCHER"
IN CLOTHING

That'll Set the City on Fire.

The most wonderful of all the Clothing Sales of the present century began here Saturday Morning. The reasons are these:

Our large factory in Syracuse, N. Y., was forced to shut down on account of the delay in settling the tariff question.

We made up all the materials on hand, so as to keep our force busy as long as possible, but it was no use, the delay was too long.

There's been a complete annihilation of honest clothing values. We've got to convert this tremendous output into cash at once.

Dollars did wonders Saturday; it's the same way to-day—will be so to-morrow, and until the stock's depleted.

Don't miss it! It's the prize opportunity of the year.

Here's a Leader.

18 different patterns in regent style, were \$17.50, \$16, \$15, and \$12.50, will go now at \$9.50.

25 different shades and patterns in Men's Trousers that were \$6.50, \$5, and \$4.50, will go now at \$3 for choice.

No Humbug
or Fake Sale

We have no old or odd and end stock, all of our goods being selected and purchased, the greater part manufactured since December 1, hence nothing but fresh and stylish goods are to be found upon our counters.

We do not attempt, neither do we wish to impress upon the public, as is intimated by some who advertise, that we possess peculiar and superior knowledge and extraordinary smartness over the balance of shoe merchants and manufacturers in the world, that we can get goods for just about nothing, say 25 per cent. or 50 per cent. on the dollar, thereby being enabled to sell at ridiculous prices. \$5 Shoes at \$2.50. We give other people credit for having as much sense as ourselves, but if you want Shoes at the lowest prices consistent with honest and fair dealing, quality and style of goods, the Economy Shoe House is the place to look for. Call and see for yourself.
